

The Town of Cary Ordinance, Chapter 34: Article IX

## **Golf Cart Rules of Operation**

As the weather warms the Association would like to remind residents of the Town rules to operate golf carts on streets. Violations pose a significant safety risk to both the driver and passengers and are enforceable by the Cary Police Dept.

It is unlawful to operate a golf cart on a public road unless the following requirements are met:

1. **You must be at least 16 years old and a licensed driver to operate a golf cart.**
2. Cart may only carry passengers for the number of seats in cart. Specifically passengers may not be carried in the cart bag area.
3. Golf carts cannot go faster than 20 mph and may only be operated on approved streets.
4. Must be operated to extreme right on the road.
5. May not be operated in the dark unless headlights are present on the golf cart, then up to 10pm.
6. Make sure your cart's VIN number is posted, and as always, never operate a golf cart while impaired or intoxicated.
7. Make sure your cart's VIN number is posted.
8. As always, never operate a golf cart while impaired or intoxicated.

Please contact the Town of Cary additional details.

For any violations of these ordinances the Town of Cary Police can be reached at (919) 469-4012.
