The pool will still be available to all homeowners during normal pool hours with the exception of swim events on three Tuesday evenings: 6/21, 6/28, and 7/5. Any weather delays will move the meets to Wednesdays. For updated information on meet dates and practice times please visit the website at www.prestonvillageswimteam.com or look for the calendar posted at the pool.

If you have children ages 5-18, consider registering them for the team through the team website. It is going to be a super fun atmosphere where kids can improve their swimming skills and can build friendships within our wonderful neighborhood. For more information please contact Dee-Dee Cale at ddcale@gmail.com. Go Tiger Sharks!

Swim Lessons

AquaVentures Swim Academy will again be offering swim lessons at Preston Village this summer. Please contact them at 919-787-7878 or lgreen@avswim.com. Please see bulletin board at pool for more information.

Exclusive Early Morning Lap Swimming

Unguarded lap swimming will be available again this year to those who sign the "Pool Unguarded Swimming Form" and return it to Kathy Misencik at PPM, Inc. You may download this form at www.prestonvillage.com. Your key fob will be activated to allow you entrance to the pool at 6:00 AM - 9:15 AM. Please remember that any issues that occur after the pool closes in the evening will not be addressed before the lap swimming begins at 6:00 AM. **Even if you've previously submitted a "Pool Unguarded Swimming Form", you will be required to submit a new form this year as there has been updated software installed in the FOB access system. The Association is taking this opportunity to update all signed forms.**

Pool Parties

Homeowners in good standing with the Association may rent the Pool Cabana located by the pump house for private parties. This rental does not allow exclusive use of the pool, but does give you a covered area for you and your guests. Forms can be downloaded from the Preston Village website. Rentals require a \$100.00 security deposit and a \$50.00 rental fee (2 separate checks) and are restricted to the following times:

Monday – Friday 10:00 AM – 2:00 PM (**No more than 20 people permitted**)

Guest Passes

As previously mentioned, enclosed is the 2016 Free Guest Pass which allows you to take eight (8) non-resident guests to the pool during regular pool hours. Each homeowner will only be provided one Free Guest Pass that will expire at the end of the 2016 pool season.

THE POOL IS A SMOKE-FREE FACILITY!!!

Smoking at the entrance to the pool and inside the pool gate is prohibited. Due to the high traffic of residents and guests into and from the facility, most of whom are children, smoking will not be allowed in the parking lot either. The pool is for the safe enjoyment of all residents. Please be respectful of your friends and neighbors and their right to enjoy the community pool.

As a reminder ALL exterior changes to your home, landscape or yard, require architectural approval PRIOR to work beginning. The architectural change application, legal documents and additional information can be found on the website at www.prestonvillage.com. Please take a moment and register on the website to receive Association e-mail communications.

Should you have any questions or concerns, please feel free to contact me at mlegere@ppmral.com or at (919) 848-4911. We look forward to a safe and fun 2016 pool season!!

Sincerely,

Monica Legere
