A Message from the Board

Margaret Struble -President

Lynn McGuire – Vice President

Steve Bidy- Treasure

Summer is almost here and the pool is now open. Things are moving fast in the Village and we would love to have you join us. Our June board meeting will be an open meeting and we invite any and all residents who are committee members or would like to become committee members to join us; details to follow.

In our ongoing efforts to keep you updated, the following is a behind the scenes look at your Preston Village Board Members hard at work since last month. Please remember to friend us on Facebook for the most recent news and events.

Our new Look- We have been hard at work coming up with a new look for the Village. We have designed a new logo and you will be seeing it more and more as we replace signs and add it to items to be sold at the pool. To go along with our new logo, the website will also get a whole new look and be updated on a regular basis.

Pool News – So good news, we are getting a brand new pump! I know not very exciting, but we currently have two older pumps, one is shot and the other is hurting. They are so old that finding replacement parts is very difficult and not money well spent. The brand shiny new pump is a 15 hp motor will be replacing two older motors; it is more energy efficient & runs much quieter. We are still exploring purchasing the shade canopies, but as we were not expecting to replace the pool motors this year, we want to make sure the budget can handle the added expenditure before we move forward.

Swim team- The Preston Village Tiger Sharks are having fun and getting ready for our meets against other area swim clubs. It is not too late to join if you have children between the ages of 5-18. We have tons of fun and pride ourselves on building up the kids so they can become better swimmers. All abilities are welcome. Register online at www.prestonvillageswimteam.com. If you need help sizing your swim suit order contact Dee-Dee Cale at ddcale@gmail.com.

Afternoon practices have started Monday - Thursday. Beginning Thursday, June 13th, morning practices will be offered in addition to the afternoon practices. You may attend whichever practice meets your family's needs. The pool will be closed at 4:30pm for home swim meets on the following Tuesday evenings... June 4th, June 18th, June 25th and July 17th. These dates will be noted on the bulletin board at the pool and on the team website at www.prestonvillageswimteam.com. Please note that the pool will remain open to all residents during practices.

Saturday, June 1st, the team will be having a car wash fundraiser at the picnic shelter parking lot from 10am - noon. Please bring by your cars and a generous donation to help support our team. Saturday, June 22nd, we will be having a swim-a-thon fundraiser at the pool so consider sponsoring your neighbors if you do not have a child on the team. Please contact Dee-Dee Cale at ddcale@gmail.com if your business is interested in sponsorship opportunities.

Social Committee – Our social committee has a full schedule so check the website and follow us on Facebook to be upto date on all the activities.

Attention all Dog Walkers- We hope you like and are using the two new dog that were installed near the circle. Don't forget to come out for the First Official PV Dog Walk coming up soon.

Remember your comments and suggestions are always welcome on the Preston Village Facebook page. Friend us today!
